

Functional or necessary cookies help our website to function adequately. Among other things, these cookies ensure that:

- Your preferences, such as location, are saved;
- Your browser settings are saved to guarantee the best possible display of our website on your screen;
- The load on the website is balanced, keeping it functional and available;
- The misuse or potential problems on our website can be detected;

No permission is required for the use of functional or necessary cookies that have no or only limited effect on your privacy. These cookies, therefore, cannot be deactivated.
